This brochure does not, under any circumstances, constitute an offer by the shipyard to any person, nor does it form part of any contract. All information contained herein, including but not limited to technical data, performance details, illustrations, and drawings, is provided as a general guide only. It is not contractual and refers to standard models of motor yachts built by the shipyard, based on updates available at the time of publication. Images, diagrams, designs, and examples included are intended solely to illustrate the provided information. The only binding information for the seller is exclusively contained in the sale agreement and the relevant specific manual. The information in this brochure may not reflect all details, technical or commercial changes made after publication, or anticipate every possible scenario. Given the unique characteristics of each yacht, the shipyard disclaims any liability for reliance on the information contained in this brochure.
